TAX RETURN FILING INSTRUCTIONS

PUBLIC INSPECTION COPY

Prepared by	Grant Thornton Advisors LLC 757 Third Avenue, 9th Floor New York, NY 10017-2013
Special Instructions	The return should be signed and dated by the appropriate officer(s). Exempt organizations are required to provide copies of their returns for a period of three years from the filing date for public inspection upon request. On the Form 990 the names of any contributors should not be disclosed, so we have deleted them. Charities must also provide copies of: 1) Forms 990-T filed after August 17, 2006. 2) Forms 4720 filed by the organization. Form 990-PF contributors must be disclosed.
Application for Recognition of Exemption	Exempt Organizations are also required to provide a copy of the Application for Recognition of Exemption (Form 1023 or 1024) including all documents and statements submitted in support of such application and any letter or other document issued by the Internal Revenue Service with respect to such application. An organization that submitted its Form 1023 or 1024 on or before July 15, 1987 must make this form available for public inspection only if they had a copy of the Application on July 15, 1987.
Requests made in person	If the request is made in person, the organization must respond by the end of the business day.
Requests made in writing	If the request is made in writing, response is generally required within 30 days.
Fees charged for copies	The organization can make a reasonable charge for copying and postage. The regulations limit the copying charge to that charged by the IRS for providing copies, currently $1.00 for the first page and $0.15 for each additional page.
What if we post the Form 990 on our website?	The requirement to provide copies can be eliminated if the organization posts the relevant documents on its website. The public must be able to download the documents and print them in the exact form they were filed with the IRS (except for disclosing contributors). The download must be free and use software that is available without charge. Even if the documents are posted on the web, the organization must still have a copy available for inspection at its offices.
What if we fail to comply with requests?	Please be aware that significant monetary penalties may be imposed by the IRS on an organization for failure to follow the above provisions.

THE ROCKEFELLER FOUNDATION

BYLAWS

(As amended and restated June 17-18, 2025)

FOREWORD

The Rockefeller Foundation (the "corporation") as now constituted is a corporation resulting from the consolidation, pursuant to the Membership Corporations Law of the State of New York, of The Rockefeller Foundation, a corporation created by Special Act of the legislature of the State of New York (Chapter 488 of the Laws of 1913, approved May 14, 1913), and The Laura Spelman Rockefeller Memorial, a corporation incorporated under the Membership Corporations Law of the State of New York on October 9, 1918.

The consolidation of the two corporations in accordance with an agreement for consolidation was approved on January 3, 1929, by an order of the Supreme Court of the State of New York and a certified copy of the order was filed with the Secretary of State of the State of New York on the same date.

TRUSTEES

Section 1. The board of trustees of the corporation (the "board") shall consist of not fewer than 10 members. The "entire board" as that phrase is used herein shall mean the number of trustees elected as of the most recently held election of trustees.

Section 2. The president shall serve as an ex officio trustee during the tenure of his or her presidency with full voting rights, and shall count toward quorum. No salaried officer of the corporation other than the president shall be eligible to serve as a trustee.

Section 3. A trustee will be elected to a five-year term and may serve for only two full consecutive five-year terms, except in the case of the board chair, the president or a trustee for whom the board makes a determination of exceptional circumstances that necessitate additional one-year consecutive terms of service, where such additional terms further significant interests of the corporation. All other trustees who serve for the ten-year limit shall not be eligible for reelection for at least two years. Elections for trustees shall take place at any board meeting, and terms will be measured as beginning in the calendar year in which the trustee attends their first meeting of the board and conclude at the annual meeting during the calendar year in which such term is set to expire. Elections to subsequent terms and renewals shall be done at the annual meeting. Notwithstanding the provisions of this Section 3, terms for the elections of current trustees who were elected to the board as of March 21, 2024 shall be set as follows: (i) any trustee with five or fewer years remaining in the ten-year term limit as of that date shall be elected to a term equal to the number of years remaining until their ten-year limit; and (ii) any trustee with six or more years remaining in the ten-year term limit as of that date shall be elected to an initial term equal to the number of years remaining until their ten-year limit minus five, and that initial term shall automatically renew for an additional five year term, up to the ten-year limit, without the need for further board action unless the board votes not to extend such term; provided that no current trustee shall serve beyond the ten-year term limit without a determination of exceptional circumstances as set forth above.

Section 4. Any trustee may resign by giving written notice to the board chair, the secretary or the board, and the resignation shall take effect as of the date of receipt or the date set forth in such notice. The absence of a trustee from three consecutive meetings of the board shall be deemed to be a resignation by such trustee, effective as of the date of such third meeting, unless the board determines otherwise. Any trustee may be removed by a majority vote of the entire board at any meeting of the board. Nothing in the preceding section shall be construed either to diminish the power of the board to remove a trustee from office as permitted by law or to prejudice the exercise of that power in any way.

Section 5. At any meeting of the board an existing or anticipated vacancy in the place of a trustee may be filled by the board, effective immediately or prospectively on a date fixed by the board.

Section 6. The vote of a majority of the entire board shall be necessary to elect a trustee or to make a determination of exceptional circumstances under Section 3.

BOARD MEETINGS

Section 7. Regular meetings of the board may be held on such dates and at such times and places as set by the secretary, subject to approval of the board. The annual meeting of the board shall be held in the second calendar quarter of each year. A special meeting of the board may be called, and the date, time and place of the meeting shall be set, by the board chair, the president or any three trustees.

Section 8. The secretary shall give to each trustee not less than ten days' written notice of the time and place of each annual and regular meeting of the board, and shall give two days' written notice of special meetings.

Section 9. At the annual meeting of the board the president and the treasurer shall present the annual financial report required by Section 519 of the New York Not-for-Profit Corporation Law or any successor statute. The report shall be filed with the minutes of the annual meeting.

Section 10. A majority of the entire board shall constitute a quorum for the transaction of business at meetings of the board. Except as required by law or these bylaws, all matters shall be decided by a majority vote of the trustees present at a meeting at which a quorum is present. In the absence of a quorum at the time and place set for a meeting of the board, the trustees present may adjourn the meeting from time to time until a quorum is present.

Section 11. Any one or more of the trustees may participate in a meeting of the board by means of conference telephone, videoconference, or other communications equipment as long as all persons participating in the meeting can hear each other at the same time. Participation by such means shall be deemed presence in person at the meeting.

Section 12. Any action required or permitted to be taken by the board may be taken without a meeting, if all the trustees consent to the adoption of a resolution authorizing the action. Consent may be written or electronic. If written, the consent must be executed by the trustee by signing such consent or causing his or her signature to be affixed to such consent by any reasonable means, including but not limited to facsimile signature. If electronic, the transmission of the consent must be sent by electronic mail and set forth or be submitted with information from which it can

reasonably be determined that the transmission was authorized by the trustee. The resolution and the consents thereto shall be filed with the minutes of the board.

OFFICERS OF THE CORPORATION

Section 13. The officers of the corporation shall include a board chair, a president, a chief operating officer, a secretary, a treasurer, and a chief investment officer. The officers may be supported by assistant secretaries, assistant general counsels, assistant treasurers or other officers as shall be deemed appropriate to carry out the business of the corporation as either determined by corporation's schedule of authorizations or delegated by such officer. All officers of the corporation shall be elected by the board. Officers other than the board chair and president shall be elected upon recommendation of the president. Between meetings of the board, the president may appoint acting officers of the corporation (other than a board chair and a president), subject to election by the board at its next meeting. Any officer whose duties and powers are not described in these bylaws shall have such duties and powers as the board or the president shall determine, as the case may be. The president may appoint other staff, who shall not be officers of the corporation, as determined necessary to carry out the programs and administrative operations of the corporation.

Section 14. The board chair shall be elected for a term of five years and may be reelected for up to five additional one-year terms. All other officers shall be elected for an indefinite term and hold office at the pleasure of the board.
