

The Mix

Historians and memoirists, for example, rarely attend the same academic conferences. But at the Bellagio Center, chatting with painters or composers or economists—and from so many other countries—exposes you to new ways of seeing the world.

Elaine Tyler May

Residents

The sidebars throughout the following lists highlight selected residents and conference participants. Years refer to the date of the Bellagio visit (not the year of the award or title mentioned). An asterisk indicates the first year of multiple visits.
